Performance certificate
Isoplam® è azienda con sistema di Gestione Qualità Certificato UNI EN ISO 9001:2015 e socio Green Building Council Italia che garantisce il rispetto di rigidi criteri di sicurezza, rispetto per l'ambiente e affidabilità.
Tutte le materie prime e i prodotti Isoplam® sono marcati CE, in conformità ai criteri generali per la sicurezza stabiliti dalle direttive dell'Unione Europea e recepite in leggi dai singoli stati membri.
Il meticoloso controllo effettuato dal laboratorio interno su ogni singolo lotto di produzione garantisce la migliore qualità dei prodotti Isoplam® e l'esclusivo packaging in vaso o sacco ermetico li mantiene inalterati nel tempo, proteggendoli dagli agenti esterni. Il risultato finale è coperto da assicurazione e garanzia solo ed esclusivamente con l'uso di tutti i prodotti a marchio Isoplam® .

- 40 anni di esperienza
- 2.500 m2 di impianti produttivi
- 3.000 m2 tra laboratorio, uffici, showroom e magazzini
- Incremento del 30% del fatturato estero negli ultimi 4 anni
- Costante ricerca e sviluppo di soluzioni tecnologiche e di design
- Materiali di prima qualità
- Sistema di Gestione Qualità Certificato UNI EN ISO 9001:2015
- Prodotti marcati CE
- Ampia rete di applicatori autorizzati e continui corsi di formazione

EN

Isoplam® has received the UNI ISO 9001:2015 certification and partner of Green Building Council Italia, which guaranties its compliance to the strict environmental and reliability safety criteria. All raw materials and Isoplam® products are labeled CE, in compliance with the general safety criteria established by European Union directives and implemented in laws by individual member states The internal lab guaranties the best quality of Isoplam® products and the exclusive packaging in bucket preserves the product. The final result is covered by insurance and warranty only if Isoplam® products are used entirely for the application and Isoplam® Official Partner applicator.

STELLAMARE

Un’ampia gamma di stampi in gomma e stencil in carta plastificata, pratici e resistenti, per creare decorazioni eleganti e straordinari effetti materici che simulano roccia, piastrelle, mattoni, legno... su superfici orizzontali e verticali. Isoplam® sa assecondare i gusti e gli stili più differenti, dando forma concreta ad ogni personale idea di bellezza.

EN
A wide range of rubber stamps and stencils of plastisized paper, practical and durable, to create elegant decorations and extraordinary material effects that simulate rock, tile, brick, wood... on horizontal and vertical surfaces. Isoplam® knows how to accomodate the tastes and the different styles, giving a concrete shape to every personal idea of beauty.

FR
Une large gamme de matrices en caoutchouc et des pochoirs en papier plastifié, pratiques et durables, pour créer des décorations élégantes et des effets matériels extraordinaires qui simulent la roche, le carrelage, brique, bois... sur des surfaces horizontales et verticales. Isoplam® sait flatter saisir les goûts et les styles différents, ce qui donne une forme concrète à toute idée personnelle de beauté.

DE
Eine breite Auswahl an praktischen, widerstandsfähigen Gummiformen und Stencils aus kunststoffbeschichtetem Papier, um elegante Dekorationen und außerordentliche Materialoptiken zu erzielen, Stein, Fliesen, Ziegeln oder Holz usw... auf horizontalen sowie vertikalen Flächen nachahmen. Isoplam® weiß verschiedenen Vorlieben und Stilen gerecht zu werden und verleiht jeder persönlichen

Le pietre di Atene, i pavimenti di Parigi, le composizioni di marmo e travertino di Venezia... gli stampi Isoplam® danno vita a questi e molti altri inconfondibili giochi geometrici, in cui linee ortogonali o sinuose si compongono in scenari dallo straordinario potere evocativo per assecondare ogni esigenza.

EN

The stones of Athens, the Paris floors, marble and travertine compositions of Venice ...
the Isoplam® mats give life to these and many other distinctive geometric games, in which orthogonal or sinuous lines are composed in scenarios of extraordinary evocative power to accommodate every need.

FR

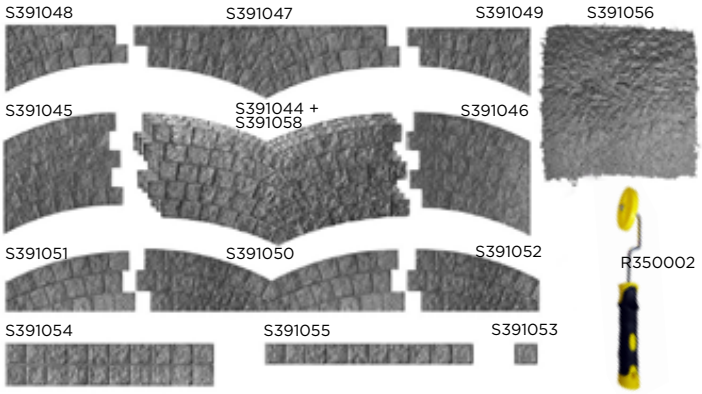

Les pierres d'Athènes, le pavé Parisien, les compositions de marbre et travertin de Venise... les matrices Isoplam® donnent vie à ceux-ci et à plusieurs autres jeux géométriques distinctifs, dans lequel les lignes orthogonales ou sinueuses sont composés dans des scénarios de force évocateur extraordinaire pour répondre à tous les demandes.

DE

Die Steine aus Athen, die Böden aus Paris, die Kombinationen aus Marmor und Travertin aus Venedig... die Formen von Isoplam® bringen diese und weitere zahlreiche unverwechselbare geometrische Spiele hervor, bei denen rechtwinkelige oder gewundene Linien gemeinsam Szenarien mit außerordentlicher Ausdruckskraft gestalten, um allen Bedürfnissen bei jeder Anfrage gerecht zu werden.

Condizioni generali di vendita italia
Gennaio 2020

Gli ordinativi emessi dal Cliente sono ricevuti da Isoplam srl a titolo di proposta d'ordine soggetta ad approvazione.
Le condizioni commerciali (sconto) per ciascun articolo fanno riferimento al Listino Ufficiale Isoplam vigente alla data della ricezione della proposta di Isoplam srl.
Gli ordini vengono evasi secondo le disponibilità del magazzino, con eventualmente ricorso a evasioni parziali.
Nessuna responsabilità può essere imputata a Isoplam srl in caso di ritardo nell'evasione dell'ordine.

TRASPORTO: Salva esplicita pattuizione contraria, la merce è resa franco nostro stabilimento a Maser (TV) –ITALY-, oppure spedita tramite vettore selezionato da Isoplam srl, con addebito in fattura delle spese di trasporto. La merce viaggia a rischio e pericolo del cliente sia in caso di trasporto in porto franco che assegnato.
Al momento della consegna il Cliente è tenuto a controllare che l'imballo risulti integro, non danneggiato o comunque alterato, e che il numero dei colli corrisponda a quanto indicato nel documento di trasporto. Eventuali danni al prodotto o all'imballo o alla mancata corrispondenza delle indicazioni devono essere immediatamente contestati al trasportatore apponendo riserva di controllo scritta sulla prova di consegna.
Una volta firmato il documento del trasportatore, il Cliente non potrà opporre alcuna contestazione circa le caratteristiche esteriori di quanto consegnato.
Reclami per difetti nelle caratteristiche proprie delle merci consegnate potranno essere prese in considerazione solo se presentate in forma scritta entro e non oltre otto giorni dalla data di ricevimento da parte del cliente.
Nel caso di mancato ritiro entro 2 giorni lavorativi del materiale presente in giacenza presso i magazzini del trasportatore a causa di reiterata impossibilità di consegna al recapito indicato all'atto dell'ordine, al cliente saranno addebitate le spese vive di giacenza e rimessa in consegna.

MODALITÀ DI PAGAMENTO: I pagamenti dovranno essere effettuati nei termini concordati esclusivamente con l'ufficio amministrativo di Isoplam srl o a persone munite di esplicita autorizzazione scritta. Non sono ammesse trattenute arbitrarie o arrotondamenti non esplicitamente accordati per iscritto da Isoplam, in caso di mancato rispetto, per qualsiasi causa, dei termini di pagamento dilazionato, al Cliente saranno addebitati i costi bancari vivi oltre agli interessi nella misura massima pro tempore consentita dalla Legge, dalla data delle singole scadenze non onorate al saldo.
Il costo del trasporto potrà subire delle variazioni dovute alle contingenze esterne (costi carburante, pedaggi, traghetti etc.)

CONDIZIONI DI GARANZIA: Tutti i prodotti Isoplam srl sono garantiti per qualità e lavorazione per 12 mesi dalla data della loro fatturazione e comunque non oltre l'eventuale data di scadenza riportata sulla confezione.
In caso di necessità di esercizio della garanzia contrattuale il Cliente dovrà:
- rispedire il prodotto a Isoplam srl in porto franco, con causale "reso in garanzia"; qualsiasi spedizione in porto assegnato non potrà essere accettata;
- accompagnare l'invio con una descrizione scritta dei difetti di costruzione e/o qualità contestati, riportando la medesima anche sul documento di trasporto;
- indicare il riferimento alla fornitura (numero e data della fattura originaria Isoplam srl) sui documenti di spedizione.

Nessuna riparazione, sostituzione o accredito potrà essere eseguito in relazione a prodotti che a giudizio della direzione tecnica Isoplam srl risultino guasti, deteriorati o malfunzionanti per imperizia, manomissione o per adattamento ad usi diversi da quelli ai quali sono destinati.
La garanzia esclude qualsiasi rivalsa per danni e spese di qualsiasi genere.

CONDIZIONI DI RESO: Resi di merce per errore di ordinazione o per altro motivo non imputabile a Isoplam srl potranno essere accettati solo se preventivamente autorizzati. Il rimborso della merce, se in perfetto stato, sarà accreditata al valore fatturato meno il 10% a titolo di concorso alle spese di controllo, re-immagazzinaggio, movimentazione e amministrazione. La merce prodotta o acquistata su ordinazione NON può essere resa.
IVA, tasse e ogni altro onere fiscale sono a carico del committente. Per qualsiasi controversia è esclusivamente competente il Foro di Treviso.

Le caratteristiche tecniche, le dimensioni ed ogni altro dato di questo catalogo non sono impegnativi.
Isoplam srl si riserva il diritto di cambiarli in qualsiasi momento e senza preavviso. Il presente catalogo annulla e sostituisce i precedenti.
I prezzi si intendono franco fabbrica, trasporto escluso.
I pallets saranno addebitati al pezzo e sono a perdere. I prodotti a base solvente sono soggetti a forti variazioni di prezzo.

Il prodotto Deco Nuvolato Isoplam viene prodotto in quantitativi minimi di Kg.1000. La merce prodotta su ordinazione verrà consegnata compresa dell' eccedenza data dal processo produttivo e quindi addebitata.

Isoplam srl si riserva la possibilità di modificare i prezzi in qualsiasi momento. Isoplam srl si riserva la possibilità di aggiungere, modificare e cancellare qualsiasi articolo da questo catalogo.

General conditions of sale
January 2020

All orders forwarded by the clients are received by Isoplam srl as order proposals subject to approval.
The commercial terms (discount rate) of each article refer to the Official Isoplam pricelist in force at the date of the proposal by Isoplam srl.
Orders will be placed according to the warehouse availability, with partial processing when needed. No responsibilities could be ascribed to Isoplam srl in case of delays in the order processing.

TRANSPORT: Expect for explicit contrary agreement, goods are returned free ex-works our factory in Maser (TV) – ITALY -, or delivered by Isoplam srl selected carrier, with freight/transport costs charged in the invoice. Goods travel at the risk of the customer whether ex-works or assigned.
At the moment of the delivery the customer must check the wrapping material is intact, not damaged or altered, so for the number of parcels that should correspond to the one indicated in the packing list. Any damage to the product or to the packaging, any missing information or wrong correspondence must be claimed to the carrier immediately, accepting the delivery as goods unchecked, that must be written on the delivery proof of the carrier.
Once the carrier delivery proof is signed, the Client can not file any claim to the external conditions of the delivery.
Any claim for manifacturing defects on the delivered goods will be taken into consideration when forwarded written and within 8 days from the date of delivery to the customer.
In case of missing takeover of the goods at the carrier warehouse within 2 days, after the delivery to the adress indicated at the time of the order resulted impossible, all unclaimed goods and new delivery fees will be charged to the customer.

TERMS OF PAYMENT: All payments should be made by advanced bank wire or credit letter expect explicit approval of Isoplam srl account office or by authorized representatives. No arbitary deductions or rounds that were not explicitly agreed by Isoplam srl will be tolerated.
The cost of the transport may vary due to external contingecies (fuel surcharges, toll and ferry-boat charges etc.)

WARRANTY CONDITIONS: All Isoplam srl products are guaranteed for the quality and manufacture for 12 months since the date of invoicing and in any case not beyond the expiry date shown on the package.

In case of application of the contractual warranty the Client is supposed to:
- send back the product to Isoplam srl by ex-works, with “warranty return” reason; any assigned shipment will not be accepted;
- enclose to the shipment a written description of the manufacturing/quality claimed defects, reporting the same on the delivery note;
- indicate the reference to the supply (number and date of the original Isoplam srl invoice) on the shipping documents.

RETURN CONDITIONS: No reparation, substitution or credit could be done in relation to the products considered damaged, decayed or unproperly used due to inexperience, lack of skill, alteration, or used in unintended purposes.
The warranty waivers the right to damages compensation and to any kind of expenses.
Any goods return due to wrong order request or any other reason not ascribable to Isoplam srl could be accepted by Isoplam srl only after a written authorization. Only on intact goods, the relative value will be invoiced as credit, with a reduction of a 10% as a participation to checking, stocking and handling expenses. Goods already produced or purchased can NOT be returned.
VAT, customs charges, taxes and any other tax burden are at the charge of the buyer.
Any other controversy will be judged by the competent court of Treviso.

The technical properties, dimensions and any other info of the present catalogue are not binding. Isoplam srl reserves the right to modify any information at any time and no advance warning. The present catalog withdraws and substitutes all previous versions. Prices are intended ex-works, shipment excluded. An amount will be charged to each Pallets, they are to lose. Solvent based products are subject to strong variations.

The Deco Nuvolato Isoplam product is produced in minimum quantities of Kg.1000. The total of the goods produced from an order request will be delivered, together with the eventual overproduction.

Isoplam reserves the right to modify the prices at any time.
Isoplam reserves the chance to add, modify or cancel any article/product from the present catalog.
